Dear Johnnie:

I forgot to mention to you that I am depending on you to drive the bus to camp. Do you have your licence? If not can you get it right away? You do not need a commercial licence, as it is a private bus. You will of course be paid for any driving you do.

If you cannot drive it, wire me back (collect) as I will have to get some one else.

I am enclosing the check you asked for. Will be looking for you .

Very Truly Yours
